

MARTIAL ARTS AMERICA

Recognizing and developing leadership in young people has long been a hallmark of Martial Arts America. Martial Arts America Leadership Course offers students an opportunity to gain the confidence and discipline to move from being a student to being a leader.

Before you complete the form, here are a few questions for you to answer:

Q: What benefits do I expect to gain from the Elite Leadership Course?

Q: What days will I attend classes? Be sure you are familiar with the class schedule.

Q: Can I see myself setting a goal and following through to completion? The Elite Leadership course goes beyond black belt.

Q: Are we willing to support the school and share the value of its program with others? The quality of our school depends largely upon the quality of our students; students, family and friends refer our most committed students to us.

Q: Am I willing to commit myself? You should come to the interview prepared to finalize the financial arrangements. A minimum deposit is required to cover initial tuition and there are several payment options available for continuing tuition coverage.

Both parents must be present for the enrollment of a child. Similarly, adults are encouraged to bring any family member that may be affected by time or financial commitment made by the student.

Thank you for taking the time to complete this form. Once it is reviewed you will be invited for a conference to discuss the details of the course, the training schedule, tuition structure and the payment options.
